

# Pattern created with [twistedthreads.org](http://twistedthreads.org)

Slope of line = angle of tablet viewed from above

band:

## Threading notes

[Edit threading notes](#)

## Weaving chart key

 Turn tablet forward  Turn tablet backward

Grey background in the table cell means turn the tablet backwards: the shape shows the visible thread colour and angle.

 Idle tablet

A circle means don't turn the tablet this pick.

## Tablet labels

The arrows show turning the tablet forwards.
