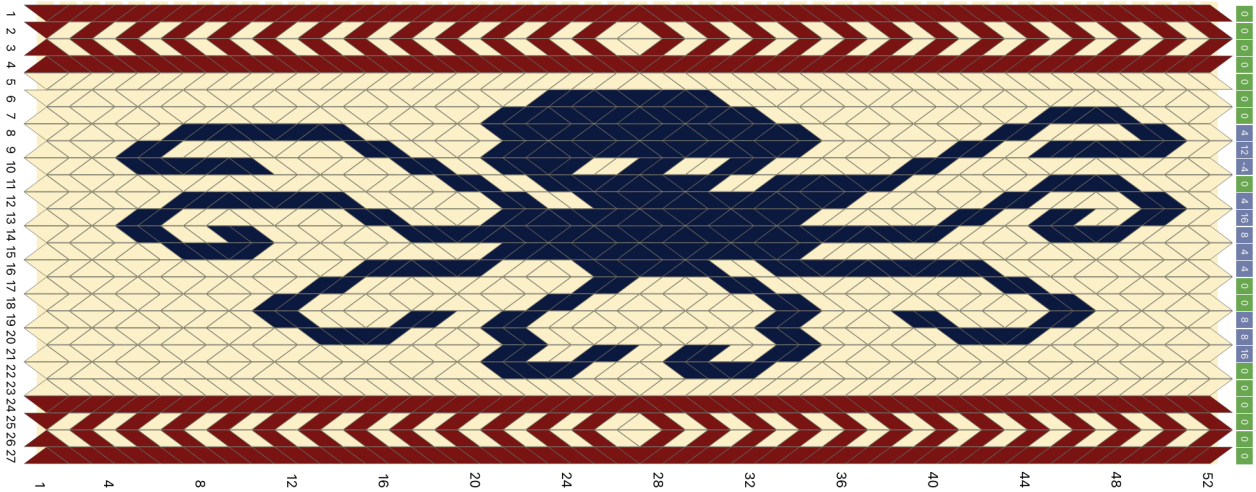
Krakenmuster in Doubleface Technik / Octopus in Doubleface technique



Die Anleitung ist von Twisted Threads
Erstellt von Silvia Aisling.

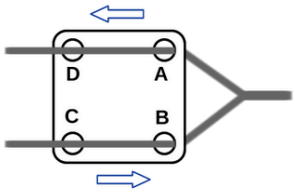
Thread counts

24 50 34

Total number of threads: 108

Notation

Tablet labels

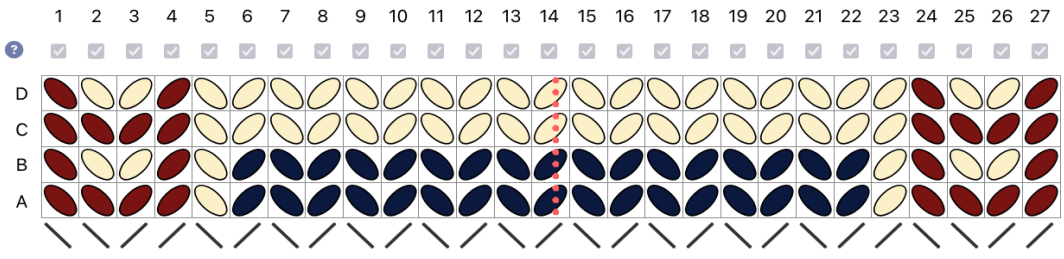


The diagram above shows how to label the tablets, which face LEFT as you look from the woven band.

The arrows show the forward turning direction.

Weaving chart key

Turn tablet forward Turn tablet backward



The sloping line below each tablet shows you how to orient that tablet. The slope of the tablet when viewed from above should match the slope of the line.
